FUŽINE

ČEFUR IS NOT A NATIONALITY

IT IS A STATE OF MIND

WHO IS ČEFUR?

Čefur is a person who lives on the territory of a certain state, but is not a part of national majority. In this case these are people who are coming from the countries south and east of river Kolpa. This river is a border line between Slovenia and Croatia.

FUŽINE

A definition of a SUBKULTURE

Subculture is a magical solution of the collectively recognised problems of everyday life of a certain group of young people.

SUBCULTURE

- SUBCULTURE AS A CULTURAL INNOVATION
- SUBCULTURE AS A STRATEGY OF LIVING
